

IGEMS 2023 Subscription License

<p>Purpose:</p> 	<p>IGEMS USB licenses activated prior to 01/01/19 will no longer be supported and will require an upgrade to a Subscription License as of 01/01/23.</p>
<p>Systems:</p>	<p>All IGEMS USB licenses activated prior to 01/01/19 and any operating system utilizing current IGEMS software with expired maintenance packages are valid for this upgrade.</p>
<p>Details:</p>	<p>Effective 1/1/23, IGEMS is moving to an Annual Subscription License, replacing the current USB Licensing. Each year upon subscription renewal, subscribers will receive <u>all</u> updated IGEMS modules:</p> <ul style="list-style-type: none"> • <u>2D licenses</u> will be renewed at \$1,400/annually and includes updated CAD/CAM tools, 3-axis CAM, AWJ, Nest level 1, Nest level 2, Data Exchange, Sign Maker, Tile Maker, Rotation Axis, Camera Software, Organizer, and Floating License abilities. • <u>3D licenses</u> will be renewed at \$2,720/annually and includes all of the above 2D upgrades in addition to 6-axis CAM for .STEP and .IGES 3D models.
<p>Benefit:</p>	<p>Each year, IGEMS is releasing updates to its software to improve reliability and make it more user friendly. If you have not paid for the USB upgrades over the years, you are several revisions back and are missing out on programming features designed to reduce programming time. The Subscription Renewal will ensure you are working with the latest version of all IGEMS modules.</p> <p><u>Jet Edge Training:</u> Through March 31, 2023, if your subscription is renewed through Jet Edge, we will include a free virtual training program to ensure you are getting the most from the update.</p> <ul style="list-style-type: none"> • The introductory 2D subscription training session will be a 2 hour, interactive session. Additional time may be purchased if more in depth training is desired. • The introductory 3D subscription training session will be a 4 hour, interactive session. Additional time may be purchased if more in depth training is desired. <p>This is your opportunity to upgrade your old system <u>and</u> receive free training on the newest IGEMS features.</p>
<p>Order Now:</p>	<p>Call Jet Edge (800)-JET EDGE or email parts@jetedge.com with “Renew my IGEMS subscription” in the subject line to upgrade your programming software. We will confirm receipt and schedule your free programming session.</p>
